Dr. Joe A. Hairston
Superintendent, Baltimore County Public Schools
6901 N. Charles Street
Towson, Maryland 21204

Dear Dr. Hairston:

I congratulate you for helping to restore calm regarding the AIM debate. It is absolutely appropriate for our school system to require a methodology to measure student performance. However, implementation of this concept must also maintain the confidence of all of the participants in the process. I look forward to your continued leadership that encourages reasoned dialogue among all of our academic professionals.

Our teachers and administrators are all doing a fantastic job. Let's keep everyone on the same page!

Very truly yours,
